

Frequently Asked Questions:

- **How do I enter my artwork?**
Complete the online entry form and payment then deliver your artworks by the 24th of October 2020 to our drop off points detailed on the website. Alternatively, entry forms can be printed and mailed along with cheque payment to:
8x8 to Educate
9 Glenrowan Drive
Tallai QLD 4213
- **Do I need an art background to enter?**
We encourage everyone of all ages and skill level to participate. The competition is as much about encouraging you to give it a go as it is about raising funds for the education of children in Developing Nations.
- **Can I enter more than one piece?**
Of course. The goal is to gather many pieces of original works of art that are 8 inches x 8 inches. **Each person may enter up to 5 artworks.**
- **I want to frame my pieces; can I enter these works?**
Yes but please ensure that the OUTSIDE dimensions do not exceed 8 inches x 8 inches as the artwork is to be displayed in neat rows and it is important that all pieces are the same size. Framed work must have a WIRE to enable it to be hung. **ARTWORK CAN BE ENTERED ON PAPER OR CANVAS ALONE AND UNFRAMED WHICH IS THE PREFERRED METHOD OF ENTRY.**
- **How do I host a 8x8 party or get together?**
It is so easy! Here are the basics:
INVITE, your friends, co-workers, family members, or your drinking buddies.
HOST YOUR PARTY and make something creative together!
ENTER AND PAY ONLINE USING THE SAME PARTY NAME FOR EACH ENTRY at least 6 pieces before the entry deadline (they will be installed together). Each artwork needs a complete entry form.
- **What are the goals of 8X8 TO EDUCATE?**

- **Does 8x8 inches include a border or mat? Can my piece be smaller than 6 inches square?**
The external dimensions of the piece should be exactly 8 inches square including border and mat. Smaller pieces may be mounted to 8" x 8" paper or board. Installation is based on a grid, artworks larger than 8" x 8" effect the efficiency of this method.
- **Can I enter a series?**
Of course. We cannot guarantee that the complete series will be installed together or in

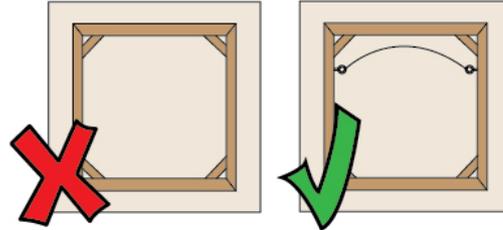

order, but we will try to install them in a horizontal row. We cannot accommodate vertical sequencing. **Each person may enter up to five artworks.** If you want them in a certain order, please number the works left to right.

- **How will the work be installed?**
The installation will be at the organisers discretion.

We cannot guarantee that all work will be displayed. However it is our intention to hang as many as possible. ALL artwork however will be displayed online.
- **Are any artworks rejected?**
8x8 to Educate reserves the right to reject any artwork. However, that is not the intention of the organiser. We do not anticipate this occurring.
- **What other restrictions are there for the artworks?**

- **Where does the money from the "sale" of an artwork go?**
All proceeds, yes folks that is 100%, will go directly to children's education in Developing Nations. I am personally covering the administration costs. This is a fun initiative that brings together a diverse group of people. It is also an important fundraiser that enables thoughtful contemporary art programming.
- **Will the artists find out who purchased their artwork?**
The buyer receives a copy of your entry form with the artist's name and contact information. The buyer may then contact the artist if they would like to. When entering artworks, be sure to put some form of contact information (ex. a business card) if you wish to be contacted by the buyer of your artwork. Due to the scale of this exhibition we are not able to provide the buyer's information to the artist.
